

WELON(China) Ltd.

A professional China-based manufacturer and exporter of headwear.

Welon's cap factory is located in Guangdong province, with about 20 years of caps and hats manufacturing experience. Our international sales office lies in the prosperous modern city Guangzhou.

Welon's products range from caps, hats, bandanas to promotional bags. We have about 300 stable and skilled workers with monthly capacity of about 600000 pcs.

Welon's young and talented designers can turn customer's nonfigurative ideas into exclusive designs. We also develop our own designs each month.

Welon's quality control team monitors the production process closely, thanks to this, we can find and eliminate any mistakes or quality problems in time.

**We welcome your designs and inquiries,
and we promise to offer the best products and service to you.**

NATURE BIO 2009

ORGANIC COTTON SERIES

Conventional grown cotton consumes approximately 25% of the insecticides and more than 10% of the pesticides used in the world. Organic cotton is grown without chemical fertilisers or pesticides from plants which are not genetically modified. It can minimize the damage to the environment.
